## Curriculum on Missions

Missions in the Image of God, is a an eight day Bible study on missions. The Bible study can be used in Sunday School classes, Bible study groups, or as a personal Bible study. This book looks at scriptures in the light of church history and mission theories to better understand missions. The focus of this Bible study is on the importance of developing relationships across cultures as fundamental to missions. God's mission is that humanity be put into right relationship with God and with each other. This study explores why crossing cultural barriers and connecting with others in the name of Christ is important. This Bible study is produced by the Missions Ministry Team of the CP Church. It was written by Rev. Dr. Lynn Thomas, the director of missions for the CP Church. Lynn draws from his years of involvement in missions as a missionary and as a director of missions. This Bible study can be found in the [CP Resource Center](#) and on [Amazon](#).
