

Installation Service Convention 2021

Friends, we have finally arrived at the time that you are to be installed into your new roles as Women's Ministry officers. It has been a long time in coming! This past year and a half has been challenging to say the least. Now is not the time to rest and pull back. Now is the time to RISE UP to the year ahead of us with excitement, creativity, strength, endurance, patience and much love. You will lead not only the denominational programs, but you will support regional officers who are resuming their activities and ministries. They will need your ideas, your support, your leadership. So, it's time to RISE UP and serve all Cumberland Presbyterian Women as well as the whole CP Church.

TO THE OFFICERS: Will you wait for the Lord in the coming year?

OFFICERS: *We will wait in prayer, in reflection, in conversation with each as we plan.*

TO THE OFFICERS: Will you RISE UP to serve CP Women's Ministry?

OFFICERS: *We will RISE UP*

President - As we lead and guide;

President-elect - As we support and encourage

Secretary - As we plan and organize

Secretary-elect - As we dream and vision and challenge

Past President - As we fulfill the duties of an officer

President - As we pray for regional officers

President-Elect - As we pray for local officers and groups

Secretary - As we support the projects of CP Women's Ministry

Secretary-elect - As we promote and support the 2021-2022 Bible studies

Past President - As we serve the Lord with our whole heart.

OFFICERS: *Yes! We will RISE UP to serve*

TO THE BODY: Will you support these officers with your prayers, your support, your encouragement and your partnership with them in CP Women's Ministry? Will you do your part to RISE UP

THE BODY: *We will! We will pray that they run and not grow weary, that they will walk and not faint, that they will rise up as if they had eagles' wings.*

TO THE OFFICERS: Friends, you are now installed with great power and strength. Remember in the year to come to wait expectantly for the Lord as you serve.

Prayer:

Loving God of eagles and hummingbirds, we thank you for these women who have answered the call to serve you and the CP Women's Ministry. We pray that you might give them strength when they are weary, vision when they lose sight, creativity when the well seems dry, patience with the meetings or days are long, joy when they are tired. Through their labors may local and regional women's ministry groups flourish. And above all may you be glorified. In the name of Jesus, we humbly pray. Amen.
