# A Living Reality

## MEMBERSHIP ENDOWMENT

*Established  
in 1924*

# *A Living Reality*

In 1924, Mrs. Eva Hughs of Missouri, a pioneer and courageous worker who had labored sacrificially for the cause of missions, became concerned that her life would soon be spent, and she would no longer be able to serve. The banks were then paying 4% on "time deposits." So, she wrote the Board of Missions and asked where she might place \$30.00 on a "time deposit" to assure that the accruing interest of \$1.20 per year might perpetuate her dues, thus become A Living Reality!
